NOTES FOR APPLICANTS

1. GRADES OF MEMBERSHIP

Section 17 of the Chemists Act reads as follows :

17. (1) Membership of the Institute shall be one of three grades, namely Fellowship, Associateship, and Licentiate.
- (2) A person shall, before admission as a Fellow, satisfy the Council that he has –
- (a) a pass or honours degree, or any equivalent academic qualification, in chemistry or in any specialized discipline associated with chemistry from one of the examinations listed in the Second Schedule;
 - (b) practical experience in chemistry of not less than ten years;
 - (c) made a substantial contribution to chemistry; and
 - (d) attained thirty-three years of age or such lesser age as the Council may, in any special case, allow.
- (3) A person shall, before admission as an Associate, satisfy the Council that he has –
- (a) a pass or honours degree, or any equivalent academic qualification, in chemistry or in any specialized discipline associated with chemistry from one of the examinations listed in the Second Schedule;
 - (b) practical experience in chemistry of not less than ten years for a pass degree or its equivalent or not less than two years for an honours degree or its equivalent; and
 - (c) attained twenty-one years of age.
- (4) A person shall, before admission as a Licentiate, satisfy the Council that he has –
- (a) a pass or honours degree, or any equivalent academic qualification, in chemistry or in any specialized discipline associated with chemistry from one of the examinations listed in the Second Schedule;
 - (b) practical experience in chemistry of not less than two years for a pass degree or its equivalent or not less than one year for an honours degree or its equivalent; and
 - (c) attained twenty-one years of age.

2. QUALIFYING EXAMINATIONS (SECOND SCHEDULE OF THE CHEMISTS ACT)

The qualifying examinations of the Institute are :

- (1) The final examinations of the Institute.
- (2) Any examination anywhere or part thereof recognized by the Government, after consultation with the Institute, as being equivalent to or higher than the final examinations of the Institute.
